Exchange - main bearing unit

A well maintained KMRS is the key to a profitable production providing you with satisfied customers, best meat price and increased profit.

The main bearing unit is the heart of your KMRS which is why Frontmatec has developed an exchange program that reduces unexpected and expensive stoppage time to a minimum. We bring and install a renovated main bearing unit providing you with a low mean time to repair and the to maximize your yield.

For more information, please don't hesitate to contact us.
