Gearbox oil for splitting saw

The Frontmatec SLBO-F-HT is a food grade NSF-H1 regist red, high-quality, gearbox oil intended for application in the food and drink industry for temperatures from -30°C and up to +150°C.

The Frontmatec SLBO-F-HT is highly resistant to aging and free from resinification. The SLBO-F-HT can be used in locations in which there is a potential exposure of the lubricated part to food, and it offers a good protection against corrosion and is well compatible with plastics and sealings.

SLBO-F-HT is compatible with mineral oils and is specifically designed for the gearbox of Frontmatec Autoline Pig Splitting Saw. SLBO-F-HT could also be used as a chain oil for other applications.

Specifications

Chemical composition	Synthetic hyrdo-carbons registered according to NSF-H1, plus specially designed additives. All NSF-H1 registered.
NSF H1 Reg. number	149757
Appearance	Clear, bright
Operating temperature	-30°C to +150°C/-22°F to +302°F
Viscosity index	146
Refractive index	1,460-1,470
Package	5 l/cans, 20 l/cans or 200 l/barrels 1.32 gal/cans, 5.28 gal/cans or 52.83 gal/barrels

Technical changes are subject to alterations.
